

# **Ballarat Rovers MCC Membership Guidelines**

**Please read all below before completing either form**

## **Types of Members**

### **New Members:**

If you wish to join the Ballarat Rovers MCC and have never been a member of the Ballarat Rovers MCC, in your own right or the child of a member who had a family membership in which you were named then you are classed as a "New Member" and will need to fill out the **"New Membership form"**.

### **Existing Members**

If you have been a member of the Ballarat Rovers MCC or the child of a member who had a family membership in which you were named, even if it was some time ago or you were a young child, then you are classed as an Existing Member you are just not financial. In this case you would fill out a **"Renewal Membership Form"**.

## **Types of Memberships**

**All membership types are eligible to hold an official position in the club**

### **Single Rider Membership \$60** (This for Families, Juniors & Seniors alike)

This membership is for either a Single, Couple or Family that only has ONE competitive rider per membership. A Single Rider Membership is for a single person and he or she is the only person on the membership or where you have a couple or a family wanting to join but only ONE person within that couple/family wants to ride a motor bike competitively or practice on BRMCC owned or permitted land. In the case of a couple it would be one or the other but not both. In the case of a family it would be ONE of the parents OR ONE of the children but no more than ONE person per Single Rider Family membership. A child is classed as being covered by the Single Rider Family membership up until, and including the year, they reach the age of 18. Then they would need to get their own membership if they wish to continue with the club. A Junior cannot join in their own right, one of the parents/guardian would need to take out Single Rider Membership on their behalf and list the child as the designated rider. Both the Family name and the designated rider's name will be on the membership card.

**(MA/MV rules apply to Single Rider Memberships i.e. Licences, machine sizes, age limits etc.)**

### **Family Membership \$80**

This membership is for either a Couple or Family that only has TWO or more competitive riders per membership. A Family Membership is for a couple or a family wanting to join and have more than one person within that couple/family that wants to ride a motor bike competitively or practice on BRMCC owned or permitted land. In the case of a couple it would be both. In the case of a family it would be any combination of the parents and the children. In other words, all direct family members would be allowed to ride. A child is classed as being covered by the Family membership up until, and including the year, they reach the age of 18. Then they would need to get their own membership if they wish to continue with the club. A Junior riders cannot join in their own right, one of the parents/guardian would need to take out Family Membership on their behalf and list the children as the designated riders.

**(MA/MV rules apply to Family Memberships i.e. Licences, machine sizes, age limits etc.)**

### **Social Membership \$30** (Cannot be used to ride, practice or obtain any form of licence)

This membership is for members who no longer want to practice or ride competitively or whose children are now members themselves or given the sport away but still want to be a part of the club and the benefits it offers. This membership is only open to people who have been financial members in the past.

### **Practice Levy \$75**

At this point in time the only facility we offer for practicing is our MotoX track, Monza. The Levy covers both Single or Family Membership for the same price. The alternative is to "Pay as you ride" which is \$15 per rider per ride.
